

Turn Violations Into Volunteer Solutions

When a resident can't maintain their property, the answer isn't always a fine — it's often a solution with free volunteer lawn care for elderly individuals, veterans, and neighbors.

HOW THE REFERRAL WORKS

Three Simple Steps to Connect a Resident With Help

1 Identify a Resident

During inspections or outreach, your office identifies someone who cannot maintain their property due to age, disability, veteran status, or financial hardship.

2 Submit a Referral

Call 862-66-MOWER or have the resident visit iwanttomowyourlawn.com. You can also include our information in official notices or letters.

3 Volunteer Is Matched

We match the resident with a registered volunteer in their area. Free lawn care is provided — mowing, trimming, and basic cleanup. No cost to anyone.

WHO WE SERVE

Your Most Vulnerable Residents

Older Adults

Facing physical limitations that make outdoor upkeep impossible.

Veterans

Those who served deserve a well-kept home. Many live alone or face mobility challenges.

Neighbors in Need

Disability, illness, financial hardship — anyone who can't maintain their property.
