

HOA & Community Association Partners

Before a violation becomes a fine, refer a neighbor to help.

We're a national 501(c)(3) nonprofit with volunteers in all 50 states who mow lawns and clear yard overgrowth for older adults, veterans, and disabled neighbors — at no cost to them, and no cost to your association.

Why this makes sense for your association

A compassionate first move

Something your board can offer before fines, hearings, or appeals.

Fewer escalations

Catch maintenance issues before they turn into community conflict.

No budget ask

We never bill the association, the resident, or your management company.

No conflict of interest

We're a nonprofit — no sales, no vendor pitches, no business cards.

Good for community PR

A partnership that belongs in your newsletter and annual letter.

Dignity-first

The resident gets free volunteer help — not shamed, not fined.

What we are NOT

- Not a landscaping company — we never bill, quote, or upsell.
- Not code enforcement — your CC&Rs are yours to enforce.
- Not a guaranteed service — volunteer coverage varies by ZIP.
- Not means-tested — we serve any qualifying neighbor.

How referrals work

- 1 You notice a struggling yard.**
A resident is falling behind on maintenance.
- 2 Share our info — don't (or don't only) send a notice.**
Hand over 862-66-MOWER or iwanttomowyourlawn.com.
- 3 A local volunteer handles the visit.**
Free, insured, no sales, no paperwork for your board.
